**Brittny Ohr**  
Baker Member since 2010

"As a Young Professional, involvement in The American Society of Baking enabled me to connect authentically with leaders across the Baking Industry. Through ASB's incredible network, I've unlocked new opportunities and quickly found resources to advance projects despite challenging times."

"My company and I have benefited tremendously from continued ASB membership – from connecting with existing and potential clients at BakingTECH, to educational webinars throughout the year, to reaching out to industry colleagues we know through the society."

**Monica Kline**  
Allied Member since 2010
