

## BRIESS MALT & INGREDIENTS CO.

*Table Top 427*

Don't sacrifice flavor, color or function for a clean label. The Briess portfolio of specialty malts, malt extracts, [gluten free](#) sweeteners, and sprouted, roasted and pregelatinized grains offer natural solutions to difficult formulating challenges. Briess ingredients are non-GMO and made in the USA. Gluten free, ready-to-eat and organic options.
