

MFG TRAY COMPANY

Table Top 409

Molded Fiber Glass Tray Company [offers](#) an extensive line of products expressly designed for food storage, preparation and merchandising. MFG Tray manufacture fiberglass premium and market display trays, pan extenders, dough boxes and dollies, cutlery soakers, bagel/proof boards, non-slip trays and cafeteria trays.

Thanks to their composite construction, MFG Tray food service products offer inherent strength and weight-carrying capacity and can be readily stacked without sagging or bending. They safely handle items to be frozen or refrigerated. MFG Tray food service products may be cleaned in conventional dishwashers or steam cleaned.

Many MFG Tray food service trays and containers are safe for food service and are listed in NSF under the NSF Ansi 2-Food Service Equipment. The smooth, nonporous surface of composite products resists odors, stains and mildew and is not harmed by detergents.

All products are manufactured in the USA for over 65 years. Stop by and see us!
