

NEXCOR FOOD SAFETY TECHNOLOGIES

Table Top 304

At Nexcor Food Safety Technologies we are proud to be the [leader](#) in software and services for the Food, Beverage, and Packaging, and Pharma industries. For over 30 years, we have ensured that our clients' Food Safety, Sanitation Management, and Maintenance needs are satisfied and streamlined. Being a strategic partner to our clients is much more than supplying software, it is about using our knowledge of the industry and applying it to our clients' goals and issues. The Nexcor Team includes highly experienced food manufacturing professionals with over 300 years of combined experience in the industry. Our clients include the largest food and beverage companies worldwide, as well as many regional operations. The Nexcor Headquarters is located in the Metro Atlanta area.
