

REVENT

Table Top 413

Revent is a world [leading](#) manufacturer of rotating rack ovens for baking of top quality artisanal bread and pastry. Our latest innovation, The ONE series, with its round baking chamber and a sliding door, has set a new standard in the market - with even better flexibility and cost efficiency. We are truly a global company with 3 subsidiaries and production facilities in Sweden and in the USA. Our ovens are used daily by bakeries in over 100 countries.
