

## HANDTMANN INC

*Table Top 517*

Handtmann is a family-owned company headquartered in Biberach, Germany that manufactures dough dividers and portioning equipment for the baking and food industries. Our equipment has been successful in bakeries around the globe for decades. Handtmann dividers and depositors have traditionally been chosen by innovators looking beyond the norm in search of solutions that gently manage product flow & maintain inclusion integrity with the strength to handle a wide variety of dough densities & the precision to flow a broad range of batters & viscous products.
