

SCHUBERT NORTH AMERICA, LLC

Table Top 518

The Schubert Group is a pioneer in the development of modular packaging machines and tailored services for a wide range of industries. The family business from Crailsheim, Germany, offers simple solutions for every packaging task. North America is one of its most important growth markets. The North American headquarters in Charlotte, NC, also form the Schubert Training Center for customers in North America.

Well-known brands rely on Schubert's automation solutions, as do numerous start-ups, small, medium-sized and family-owned companies.
