

## ADM/MATSUTANI LLC - FIBERSOL-2

*Table Top 207*

ADM/Matsutani LLC will showcase Fibersol®, a premier line of soluble prebiotic dietary fiber ingredients. Fibersol is included in the FDA's dietary fiber definition and can fulfill consumer desires for tasty, fiber-full bakery items that are well tolerated and have proven satiety benefits. Fibersol contains 90% dietary fiber and has a low calorie content, offering solutions for significant sugar reduction. Fibersol's functional benefits can enable a variety of label claims, including sugar and calorie reduction, digestive health or weight management.
